

Dress Code

Elementary Schools / *Effective Fall 2004*

AISD's new Student Dress Code will be implemented in Fall 2004 to maintain a safe and respectful learning environment and to model good citizenship. All clothing should be appropriate to the student's age, the school setting, and weather conditions. Students are required to use good judgment, to respect themselves and others, and to demonstrate modesty in selecting attire. Both students and parents share the responsibility for the student's attire because clothing often sets the pattern for behavior.

Clothing may not advertise, condone, depict, or promote the use of alcohol, tobacco, or drugs; also prohibited is clothing with vulgar or obscene language, or with images or writings that promote disruption of the educational setting.
